Office of the Legislative Counsel

Tuesday - 22 September 1959

Met with Colonel Vincent J. Adducci now Deputy Director of Air Force L&L who introduced me to the new Director of Air Force L&L, General Musgrave. General Musgrave is just coming on the job but was most gracious and definitely appeared to have an interest in intelligence. He offered complete cooperation from his shop and he was invited by Legislative Counsel to meet with senior officials in the Agency some time in the near future and he indicated he would be delighted to do so. (This will be followed up.)
